First and last name(s)

City / State / ZIP	
Phone number(s)	
Email address(es)	

The New Israel Fund may include my name in NIF 40th Anniversary Legacy Giving Campaign listings.

Name as you wish it to appear: \_\_\_\_\_

**OR**

I prefer to remain anonymous.

To aid NIF with record-keeping and planning, please indicate the method(s) by which you intend to make a gift:

Will or trust     IRA beneficiary designation     Other: \_\_\_\_\_

Please indicate the value, or estimated value, of your intended legacy gift: \_\_\_\_\_

(This helps the New Israel Fund report on the size of the Campaign.)

If you are comfortable providing us with a copy of the relevant portions of your will, trust, or beneficiary designation, this will aid our tracking efforts and help to ensure that your legacy is fulfilled according to your intent.

I would like to participate in NIF's **Voices of Conscience** collection of legacy statements.

*(This involves submitting a text and photo, if desired, describing the reasons you have included NIF in your estate plans. If you are interested, we will contact you with details.)*
